

Curriculum Vitae Alison Halliday MS FRCS

Current position

Professor of Vascular Surgery, University of Oxford

Education

Bachelor of Medicine, Southampton University	1977
Fellow, Royal College of Surgeons, England	1982
Master of Surgery, Southampton University	1986
Higher Surgical Training Certification	1992

Appointments

Senior Lecturer & Consultant in Vascular Surgery, St Thomas' Hospital	1992-1994
Consultant in Vascular Surgery, Epsom & St George's Hospital	1994-2010
Professor of Vascular Surgical Studies, St George's University of London	2007-2010
Professor of Vascular Surgery, University of Oxford	2010-

Positions of trust

President, European Society for Vascular Society	2017-18
European Society for Cardiology (ESC) Council Nucleus on Stroke	2016-20
Elected UK Councillor, European Society for Vascular Surgery	2015-18
Athena Swan Steering Group, Medical Sciences Division, Oxford University	2014-
Women in Surgery Committee, Royal College of Surgeons, London	2014-17
Elected Member of Council, UK Vascular Society	2010-14
Scientific Committee, British Association of Stroke Physicians	2010-13
Instigator and Committee member, UK Carotid Audit, RCP, England	2007-12
Stroke Association Research and Awards Committees	1997, 2016

Awards

Visiting Professor, University of Larissa	2019
Corresponding membership, German Vascular Society	2015
Corresponding Membership, Austrian Vascular Society	2014
Population Health Res. Inst. Lecturer, McMaster University, Canada	2014
Visiting Professor, University of Belgrade	2010
Hunterian Professor, Royal College of Surgeons of England	2004

Academic achievements

Principal Investigator, ACST-1 and ACST-2 clinical stroke prevention trials, 6000 patients worldwide collaboration of vascular surgeons, neurologists, radiologists and cardiologists
National Leader in Clinical Audit Instigator UK National Carotid Endarterectomy Audit
International Guidelines

European Soc. Vascular Surgery Guidelines - Extra-cranial Vascular Disease	2015-16
European Society of Cardiology Guidelines - Dyslipidaemias	2018-19
European Stroke Organisation Guidelines - Carotid Disease	2019-20

Published 150 original articles also 30 review articles, book chapters, edited 3 books

Over 2000 citations of two (2004 and 2010) ACST-1 Lancet publications

Over 7000 citations, h-index 32, SCOPUS, March 2019

Supervisor, eight successful PhD and Masters' candidates, two current PhD students

£4m Research funding from MRC, NIHR, BHF, BUPA Foundation Stroke Association

Selected publications
